App Sparkasse

Information about the App Sparkasse

With the App Sparkasse, you can manage your money anytime and from anywhere – from tracking account activity to making transfers. The app has a wide range of useful features, is easy to use, convenient and highly secure.

App Sparkasse benefits and features

Keep an eye on your finances 24/7

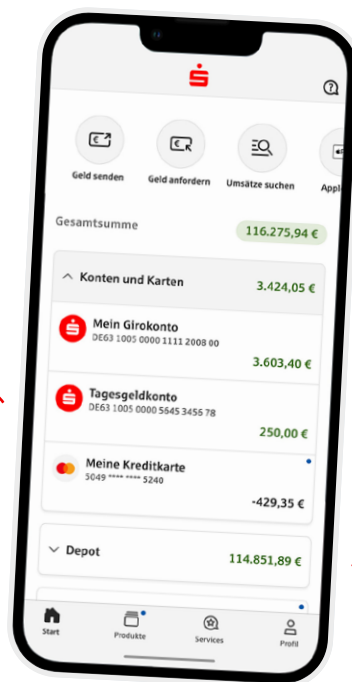

You can check your account balance and transactions anytime and anywhere. Plus, you can get your Sparkassen-Girokonto's Kontowecker to notify you of any activity.

Banking from anywhere

You can set up transfers and standing orders at any time.

Secure and in control

With Card Control, you can choose how and where your physical and digital cards can be used.

Finanzplaner

With the Finanzplaner, you can manage your digital household budget planner directly in your online banking. It automatically assigns your income and expenses to different categories for a rapid analysis of your spending.

Fotoüberweisung

With Fotoüberweisung, you can automatically capture all transfer data by scanning an invoice or QR code.

Multibanking

With Multibanking, you can manage all of your Sparkasse and other bank accounts and portfolios in one place.
